

PRODUCT INFORMATION SHEET

Demon Shine (2 Litre)

Description

No Effort, Instant Shine, In Minutes.

Demon Shine is a revolutionary top-gloss shine treatment. Simply add to a bucket of water, pour over the car and drive off – that's it!

It's as easy as 1, 2, 3

- 1) Add to water
- 2) Pour on with any pouring device
- 3) Drive off or Chamois off

Directions For Use

Always wash your car first with Triplewax Car Shampoo.

1. Fill a clean bucket with cold water.
2. Add 250ml (the markers on the side of the bucket are in 500ml intervals) to the bucket of water.
3. Using a jug (or any type of pouring device you have) pour over the car starting with the roof (avoiding contact with windscreen), then bonnet, boot, doors and wheels.
4. Drive off immediately or use a Triplewax Chamois or Microfibre Cloth to remove the remaining wet spots. Do not allow the vehicle to stand and dry naturally, this can cause 'spotting' on the paintwork.

Note:

'Streaking' on windscreens may occur. Remove with Carplan Screenwash or Glass Cleaner.

AVAILABILITY

Available in 2 litre packs.

Tetrostyl

DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
