

PRODUCT INFORMATION SHEET

TETRION ALL PURPOSE FILLER - READY MIXED

DESCRIPTION

Tetrion All Purpose Filler is a smooth ready mixed white filler that seals and fills most household materials, e.g. plaster, wood, stone, concrete, brickwork and metal.

ADVANTAGES

- Suitable for interior and exterior use
- Resistant to vibration, shrinking and cracking
- Resilient to expansion and contraction
- Drillable and tappable
- Water and weather resistant
- Super white

DIRECTIONS FOR USE

- Ensure surfaces to be filled are dry and free from any loose materials. Remove any decayed wood down to dry sound material.
- Prime nails and screw heads with an oil based paint prior to application.
- Stir filler thoroughly before use; if required add a few drops of water to improve workability.
- Apply with a filling knife and smooth off immediately with a wet blade.
- Tetrion All Purpose Filler must be applied in layers of no less than 3mm and no greater than 10mm to ensure adhesion and can be drilled or tapped provided the depth of set filler is at least equal to that of the screw or plug.
- Setting occurs in approximately 4-6 hours depending on depth of fill and atmospheric conditions.
- After 24 hours filler can be sanded and then over-painted with most household paints. Over-paint with an oil-based paint when using externally.

NOTE: Do not use Tetrion All-Purpose Filler in wet or damp conditions, or on surfaces regularly under water. Do not sandwich between layers of paint and/or sealant. Store away from frost.

AVAILABILITY

Tubs: 600g – DTE068

1kg – DTE108

2kg – DTE200

5kg – DTE508

Tubes: 330g – DTE330

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
