

PRODUCT INFORMATION SHEET

Easy Spray Silver Chrome

Description

Easy Spray Silver Chrome is an aerosol paint that produces a bright, metallic decorative finish. Suitable for use on many surfaces including plastic, metal, glass and ceramic.

Advantages

Produces a chrome like finish much brighter than other products in the Tetrosyl paint range.

Properties

Paint produces a bright finish, suitable only as a decorative finish. It should not be polished, abraded or over lacquered.

Directions For Use

Ensure that all surfaces to be painted are clean and dry. Shake can well.
Hold can 20 – 30cm from surface and spray in alternate horizontal and vertical strokes.
Apply coats thinly and build up to required density. Allow paint to dry 24 hours before use.

Storage and Safety

Store and use this paint at room temperature. Application at low temperatures below 10°C may reduce aerosol performance

Availability

400ml – ESC406

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
