

PRODUCT INFORMATION SHEET

CARLUBE LHM +

DESCRIPTION

Carlube LHM + is a mineral oil brake & suspension fluid based on highly refined mineral oils fortified with additives to ensure excellent low temperature performance combined with good anti-wear, corrosion & oxidation protection.

APPLICATION

Carlube LHM + is suitable for use in the braking & hydro-pneumatic suspension systems of certain Citroen, Rolls Royce, Peugeot and Jaguar models where this type of fluid is recommended (Always refer to vehicle handbook for precise specification).

CAUTION

This fluid must only be used in vehicles which are designed for mineral oil brake fluids. Do not mix with Synthetic brake fluids (i.e. DOT 3, DOT 4, DOT 5.0/5.1, ISO 4925, SAE J1703) or vegetable oil based fluids.

PROPERTIES

Appearance	Clear Liquid	
Color	Fluorescent Green	
Density @ 15°C	0.870	
Kinematic Viscosity (mm ² /s)	@ -40°C	1200
	@ 100°C	6.60
Viscosity Index (VI)	300	
Pour Point (°C)	-52	
Flash Point (°C)	118	

AVAILABILITY

1 Litre – LHM001

ENVIRONMENTAL PROTECTION/SAFETY PRECAUTIONS

Do not pour used oil down sewers or drains. Dispose of used oil at your nearest oil-recycling bank. Dispose of empty packs in a responsible manner. Store container in an upright position and secure when transported. Wear goggles if splashing risk. Avoid exposure to oil mist. When using oil do not eat, drink and smoke. Wash hands after use. Always refer to vehicle or engine manufacturers handbook to verify suitability of this product for the vehicle/engine.

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
