

PRODUCT INFORMATION SHEET

CARPLAN LEATHER VALET 600ML

DESCRIPTION

CarPlan Leather Valet is a rich nourishing formula that cleans and cares for leather upholstery in the car and around the home. The special blend of soaps, natural oils and waxes gently clean, feed and moisturise the surface and work in harmony to preserve the leather for years to come. Leather is a durable material, but can age prematurely if the natural oils are not replaced.

ADVANTAGES

- Cleans, feeds & preserves all shades of leather
- Luxurious leather aroma
- Ease of application

APPLICATION

- Vacuum the leather to remove loose dirt, use a brush head to remove risks of scratching
- Shake bottle well
- Apply generously with a clean, soft, cotton cloth and gently work over the surface until the rich cream slowly disappears
- When dry, buff lightly with a clean, soft, cotton cloth, turning frequently

PROPERTIES

5 - < 15%	Anionic surfactants
< 5 %	Perfumes
Contains Benzisothiazolinone, METHYLISOTHIAZOLINONE	

NOTE

Condition your leather every 6-12 months to keep it looking like new. Always test on an inconspicuous area first for compatibility and colourfastness. Suitable for use on other leather products such as luggage or furniture. This product may stain some leather finishes and is not suitable for use on suede or moquette type leather finishes. Do not use on perforated leather.

AVAILABILITY

LVC150 – 150g
LVC600 – 600ml

ENVIRONMENTAL PROTECTION/SAFETY PRECAUTIONS

Contains 1,2-BENZISOTHIAZOL -3(2H)-ONE. May produce an allergic reaction. If medical advice is needed, have product container or label at hand. Keep out of reach of children.

Tetrosyl

DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
