

PRODUCT INFORMATION SHEET

Carlube Complete Fuel System Cleaner Petrol

Carlube Petrol Total Fuel System Cleaner is a powerful formulation containing additives designed to rapidly remove fuel deposits and the associated problems they cause in petrol vehicles

In just one tank of fuel dosed with Carlube Petrol Complete Fuel System Cleaner, significant amounts of deposits are removed in a wide range of different petrol vehicles, including older and high mileage models.

ADVANTAGES

- Rapidly removes harmful fuel deposits on critical working engine parts in a single tank of treated fuel
- Reduces potential for breakdowns related to the fueling system
- Supports reduction in vehicle emissions
- Helps to restore engine performance towards 'like new' condition
- Assists in reducing fuel consumption

APPLICATION

Pour the contents in its entirety before filling up with a full tank of Petrol

PROPERTIES

Appearance	Liquid
Colour	Pale Yellow
Odor	Mild. Amine.
Density @ 20°C	0.869 g/cm ³
Flash Point (°C)	74°C

DIRECTIONS FOR USE:

- Add to the tank before filling up with a full tank of Petrol
- 300ml treats approximately 70 litres of fuel.
- Suitable for all Petrol engines
- Do not mix with other fuel additives

AVAILABILITY

QFG300 – 300ml

DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request). Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet. Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded. This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials. Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s). Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
