

## PRODUCT INFORMATION SHEET

### CARLUBE LEAD SUBSTITUTE

#### DESCRIPTION

Carlube Lead Substitute has been designed for older vehicles and classic cars with soft valve seats originally designed to run on leaded fuel.

#### ADVANTAGES

- Provide lubrication for soft valve seats
- Reduce valve seat wear and recession
- Reduce valve and injector deposits
- Clean fuel system and carburetors
- Prevent corrosion of the fuel system

#### APPLICATION

Carlube Lead Substitute helps prevent valve seat recession in vehicles designed to run on leaded petrol.

#### PROPERTIES

Appearance	Clear Thin Liquid
Color	Orange
Density @ 15°C	0.820
Kinematic Viscosity (mm <sup>2</sup> /s) @ 40°C	1.80
Flash Point (°C)	>55

#### DIRECTIONS FOR USE

- Add entire contents to full tank of petrol. Treats up to 50 litres.
- Use at every fill up.

#### NOTES

- Always refer to vehicle manufacturer or dealer for advice prior to use of lower octane fuel (e.g. regular unleaded) to ensure correct vehicle loading and optimum running speed.
- In general it is recommended that the mixing of lead substitute additives is to be avoided, particularly those of different chemical types since this may reduce effectiveness.

#### AVAILABILITY

300ml – QFS300

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
