

PRODUCT INFORMATION SHEET

Carlube Oil Treatment

Carlube Engine Oil Treatment is a concentrated blend of high performance additives and shear stable polymer formulated to provide extra protection for petrol and diesel engine oils. Even under normal driving conditions the protective additives in motor oils break down over time resulting in engine wear and sludge deposits. Carlube Engine Oil Treatment replenishes these vital components.

ADVANTAGES

- Increase/revitalize engine oil protection
- Reduce engine wear
- Prevent sludge build up
- Keep engine cleaner
- Reduce carbon deposits and oil consumption
- Suitable for petrol and diesel engines

APPLICATION

Add directly to the engine oil at or between oil changes

PROPERTIES

Appearance	Viscous Liquid
Colour	Brown
Odor	Oil Like
Density @ 15°C	0.890 g/cm ³
Flash Point (°C)	190°C

DIRECTIONS FOR USE:

- Add directly to the engine oil either at or between oil change
- 300ml of Oil Treatment treats approximately 5 litres of engine oil
- Suitable for both mineral and synthetic based engine oils

AVAILABILITY

QOT300 – 300ml

DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request). Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet. Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded. This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials. Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s). Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
