

PRODUCT INFORMATION SHEET

CARLUBE PETROL TREATMENT

DESCRIPTION

Carlube Petrol Treatment has been specially formulated to ensure maximum fuel system efficiency in all petrol engines including injection and carburettor systems. The product works by maintaining injector spray patterns and keeping carburettor jets clean. With untreated fuel, dirt and deposits can build up in carburettors, injectors, inlet ports and valves which reduce engine performance and lead to increased fuel consumption and exhaust emissions.

ADVANTAGES

- Reduces inlet valve and carburettor/injector deposits
- Helps to reduce smoke emissions
- Protects against fuel system corrosion
- Suitable for use with turbo chargers and catalytic converters

APPLICATION

Carlube Petrol Treatment gives improved performance in all fuels and all types of vehicles.

PROPERTIES

Appearance	Clear Oily Liquid
Color	Red
Density @ 15°C	0.810
Kinematic Viscosity @ 40°C (cSt)	1.70
Flash Point (°C)	>55

DIRECTIONS FOR USE

- Add entire contents to full tank of petrol. Treats up to 50 litres
- For best results use every fill up

AVAILABILITY

300ml – QPP300

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
