

PRODUCT INFORMATION SHEET

Stonechip Aerosol

Description

A tough, flexible corrosion and chip resistant coating for all-round protection and sound deadening qualities. Suitable for all lower body panels vulnerable to stone chips. Stonechip is not suitable for use on synthetic painted surfaces.

Directions For Use

Shake can thoroughly before use. Minimum of two minutes.

Spray in light even strokes moving the can continuously. Avoid heavy application. Shake the can frequently during use.

2 hours at 20°C. Stonechip when fully cured may be overcoated with nitro-cellulose, acrylic or synthetic refinishing paint systems.

Availability – SCS500: Stonechip Aerosol Black 500ml
SCS501: Stonechip Aerosol Grey 500ml
SCS502: Stonechip Aerosol White 500ml

Important - Always ensure the surface to be treated is suitably prepared, and fully degreased with Tetrosyl Compliant Panel Wipe.

Maintenance - After use invert can and spray to clear the valve or remove any obstruction carefully with a pin.

Storage - This product is subject to regulations governing the storage of highly flammable liquids and liquefied petroleum gases.

Safety - See separate Material Safety Data Sheet (MSDS)

FOR PROFESSIONAL USE ONLY

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
