

PRODUCT INFORMATION SHEET

CARPLAN KLEEN AIR

DESCRIPTION

CarPlan Kleen Air is a single use aerosol that eliminates bacteria, fungi, moulds and viruses from the deepest recesses of air conditioning systems which cause unpleasant odors, headaches, hay fever symptoms and other allergic reactions. It also contains a unique odor neutralizer that chemically neutralizes odors from vehicle interior leaving a fresh citrus smell.

ADVANTAGES

- Ease of use
- Cleans entire system inside 10 minutes
- Eliminates bacteria & viruses (Meets BS 1276)
- Will not harm people or upholstery

PROPERTIES

Appearance	Clear Liquid
Color	Pale Yellow
Odor	Citrus
Density @ 20°C	1.008
pH	9.4

DIRECTIONS FOR USE

- Shake aerosol well before use.
- Start the vehicle and turn on the air conditioning, blowing full power in re-circulate mode. Open all dashboard vents and ensure all windows are shut.
- Push the front passenger seat as far forward as it will go and tilt the back of the seat forward towards the windscreen.
- Place the aerosol on a small towel behind the front passenger seat in the rear footwell making sure the aerosol-locking valve is positioned towards the center of the vehicle.
- Depress the locking valve until it remains securely in place and the unit is discharging whilst making sure that your eyes and face are not directly above the aerosol.
- Exit the vehicle making sure all doors are closed.
- Wait approximately 10 minutes for the aerosol to fully discharge and for the powerful anti-bacterial agents to re-circulate.
- Remove the empty aerosol from the footwell and wipe up any excess moisture from the back of the passenger seat and interior windows with a cloth. The moisture is harmless and will not stain upholstery or carpets.

AVAILABILITY

150ml – SOA009 (UK)

150ml – NOA009 (NL)

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
