

Tetrion Spray Adhesive

Tetrion Spray Adhesive is a super strong contact adhesive in an easy to use aerosol format and is suitable for use in many home or office jobs.

Tetrion Spray Adhesive is incredibly useful for the adhesion of artwork or displays, and can also be used for vehicle interiors, a powerful spray suitable for non-structural applications where a high strength, quick dry bond is required.

- Only takes 10 minutes to dry
- Easy to use in the home, office or even vehicle
- Long-lasting; does not brittle
- Suitable for use on carpet lining, carpet tiles, fabric, foam, felts, cardboard etc.
- Waterproof
- Non-staining, dries clear
- Does not warp when drying
