

## PRODUCT INFORMATION SHEET

### TRIPLEWAX DIAMOND LIQUID GOLD

#### **DESCRIPTION**

Triplewax Diamond Liquid Gold Self-Drying Car Shampoo is the next generation of car washing. Quick & easy to use with outstanding results, Liquid Gold incorporates advanced water sheeting technology so you can just wash & go – with no manual cloth drying required and no need for time-consuming polishing. The unique polymer system effortlessly cuts through all types of grime & dirt. After rinsing, the water self-dries and evaporates with an iridescent effect, to leave a perfect, flawless showroom shine with no water spots or streaks. Just leave the vehicle to self-dry naturally for 20 minutes and you will be amazed with the results!

#### **ADVANTAGES**

- Self-drying formulation
- Unique polymer system cuts through all types of dirt and grime
- Streak free
- No water spots
- Quick & Easy

#### **APPLICATION**

- Rinse the vehicle before washing to help loosen and remove excessive dirt deposits.
- Add 2 full caps of Liquid Gold to a 10 litre bucket of clean warm water.
- Wash vehicle starting at the roof working downwards, finishing around the lower areas.
- Rinse working from the top downwards, using a hose pipe (ideally), a watering can or simply pour on clean water.
- After rinsing, leave the vehicle to self-dry naturally

#### **NOTE**

As with all shampoos, avoid using on hot paintwork or in direct sunlight. Sponges and hands may be dirtier than usual. Rinse and dry before storing used sponges. Wash hands using a hand cleaner after use. Vehicles that have been treated with waxes or polishes may require repeated use of Liquid Gold until the desired effect is achieved. The use of hard water to rinse may cause mineral deposits to dry on some paint and glass surfaces.

#### **AVAILABILITY**

TLG001 – 1L

TLG500 – 500ML

#### **ENVIRONMENTAL PROTECTION/SAFETY PRECAUTIONS**

Contains: Benzisothiazolinone, Methylisothiazol. Keep out of the reach of children.

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
