

PRODUCT INFORMATION SHEET

CARPLAN PRE-ICER TRIGGER

DESCRIPTION

CarPlan Night Before Pre-Icer is a specially formulated product which is designed to prevent ice and frost from bonding to car windscreens and other glass surfaces, when cars are parked in sub zero temperatures. It works by providing a temporary coating that absorbs moisture preventing it bonding to the glass even in the severest frosts.

ADVANTAGES

- Easy to use trigger spray
- Saves time when defrosting car
- Product and any ice are easily removed by windscreen wipers
- Easy one stage application
- Will not harm vehicle finish
- Works down to temperatures of -25°C

APPLICATION

Suitable for use on any exterior glass surfaces, any surfaces without windscreen washers use a wet cloth to remove product.

NOTE: Pre-Icer is a preventative measure and should be applied before frost is expected.

PROPERTIES

Appearance	Slightly Gelled Liquid
Colour	Colourless
Density @ 20°C	1.040
pH	6.40
Flash Point ($^{\circ}\text{C}$)	>55

DIRECTIONS FOR USE

Spray a generous covering over the glass surfaces to be treated.

NOTE: Product is water-soluble so heavy rain after application could reduce effectiveness of product.

AVAILABILITY

500ml – TPI501

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
