

PRODUCT INFORMATION SHEET

TETRION MASONRY REPAIR FILLER

DESCRIPTION

Tetrium Masonry Repair Filler has been specially formulated to set as hard as traditional concrete, is completely waterproof and will set rock hard within 1 hour at normal temperature.

ADVANTAGES

- Sets hard in 1 hour
- Convenient for heavy duty repairs
- Completely waterproof
- Smooth finish

APPLICATIONS

Suitable for all heavy duty filling repairs. Use Masonry Repair Filler to anchor bolts and posts, to repair steps, patios and drains.

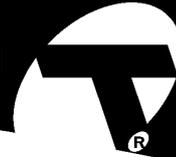

DIRECTIONS FOR USE

- Ensure work area is clean and free from grease.
- Dampen surface to be filled.
- Add 5 parts filler to 1 part clean cold water. Mix thoroughly to form a smooth paste.
- Apply the filler immediately with a trowel or filling knife, working well into the area to be repaired and smooth off the repair and surrounding area before the filler starts to set.

AVAILABILITY

2kg – TSF200

5kg – TSF500

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
