

Tetrosyl

PRODUCT INFORMATION SHEET

Tyre Slik

Description

The ultimate 'wet look' tyres – just spray on for great looking tyres. Tyre Slik contains a special rubber lubricant to help combat the effects of crazing on tyre walls – use regularly to reduce effects of ageing. Unique 'SUPER FLOW' valve allows the product to 'flow freely' even in an upside down position giving maximum control without waste.

Directions For Use

Ensure that surface to be treated is clean and dry. Shake can well. Spray onto tyre wall and leave to dry. (if applied too thickly. Remove excess with a clean cloth.)

Note: Do not spray onto tyre tread, windows or windscreens.

AVAILABILITY

Available in a variety of sizes.

DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
