

## PRODUCT INFORMATION SHEET

### CARLUBE LITHIUM EP2 GREASE

#### DESCRIPTION

Carlube Lithium EP2 Grease is a high melting point, smooth, Multi-purpose grease based upon lithium soap. The grease is for automotive and industrial ball and roller bearing applications. The extreme pressure (EP) nature of the grease also provides excellent performance in those applications where a high degree of shock loading occurs or where high pressures or bearing temperatures are encountered.

#### ADVANTAGES

- Good extreme pressure performance for shock load protection
- Wide temperature range (-15°C to 120°C)
- Water and oxidation resistant

#### APPLICATION

Carlube Lithium EP2 Grease is recommended for highly loaded ball, roller or plain bearings particularly where very high or shock loads are encountered. Also suitable for applications where an NLGI 2 Lithium Grease is required.

#### PERFORMANCE LEVEL

- Premium quality lithium grease with extreme pressure additives
- NLGI 2 medium

#### PROPERTIES

Color	Brown	
Texture	Smooth	
Soap Type	Lithium	
N.L.G.I.	2	
Worked Penetration	265 - 295	
Service Temperature Range (°C)	-15 to 120	
Base Oil Properties	Kinematic Viscosity @ 40°C	150 Min
	Viscosity Index	80 Min

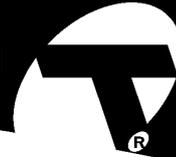

#### AVAILABILITY

400g – XGE400 (Cartridge)

500g – XGE500

3kg – XGE003

12.5kg – XGE125

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
