

PRODUCT INFORMATION SHEET

Carlube Driveline 85W-140 Heavy Duty Gear Oil

Carlube 85W-140 offers exceptional wear protection for heavy duty axles and gears operating under highly stressed conditions. These fluids also help prevent bearing failure and offer corrosion protection.

SPECIFICATION

API GL-5,

ADVANTAGES

- Superior anti-wear performance
- More up-time allowing equipment to work harder for longer
- Broad spectrum of OEM credentials

PROPERTIES

Appearance	Clear Liquid
Colour	Brown
Odor	Characteristic
Density @ 20°C	0.907 g/cm ³
Flash Point (°C)	220°C

AVAILABILITY

XEM001 – 1L

YEM020 – 20L

DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request). Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet. Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded. This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials. Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s). Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
